

DISCLAIMER—Platt Photography (updated 05-2014)

DISCLAIMER:

When viewing your photos, please be aware that all monitors display brightness, contrast and color differently. My computer monitor is calibrated to my printing services printer. You are welcome to make an appointment to view your images in the studio on my computer.

Photographs from your session will be available online for a minimum of one year from the date of the session shoot. Platt Photography cannot guarantee the retention of images due to hard drive crashes or other factors outside of their control that may result in images from your session being lost or deleted.

When consenting for Platt Photography to take your photographs, you give Platt Photography the right to use any images from your session for promotional or advertisement purposes, images that may be considered sensitive will not be used. Images from your session may be used on, but not limited to, Social Media sites such as Facebook, Twitter or Instagram, on Platt Photography's website or on print promotional items. Your identity will not be published and you will not be "tagged" on Social Media sites without your permission.
